## BLEEDING RED, WHITE, & BLUE

# 2021

The yearbook staff has taken every precaution to follow The Vermont State Department of Health COVID-19 guidelines. To the best of our knowledge, photos included in this yearbook wherein students and staff are not wearing masks were taken prior to Governor Phil Scott's August 1st, 2020 mandatory mask mandate. Those photos that include students from different households were taken prior to the governor's suspension of multi-household get-togethers on November, 14th, 2020.

"Intelligence plus character-that is the goal of true education."  
- Dr. Martin Luther King, Jr.

## Hello Mill River!

This was a very challenging year to put a yearbook together. Due to COVID-19 guidelines, we were unable to take photos throughout the school as has traditionally been done in years past. So we bombarded you with requests for photos on Google Classroom and in person. We nagged. We even begged. You probably got sick of hearing from us-especially from Julia. Thank you to all of you who heeded our call and submitted pictures-we could not have put this book together without your help.

We worked really hard this year to bring you a yearbook that reflected the spirit of MRU students, while cataloging the very unique time in history in which we are living. This is a book that we hope you will pick up in the future when your kids ask you, 'Was it true you didn't go to school every day during the pandemic?'. We have included pages that are snapshots of time and place-what has been happening in the world, state, locally, and in our school over the past year. Also, we highlighted some things that became even more special to us here at MRU during this past, crazy year: holidays, summer vacation, and family pets, for example.

While important to document the very unique circumstances of the school year, this yearbook is not about a virus, but about a group of people, students, faculty, and staff, that persevered through uncertain times, in spite of a virus. We are artists, athletes, actors, dancers, writers, readers, singers, learners, gamers, thinkers, performers, tik-tokkers, explorers, hunters, bikers, skiers, boarders, swimmers, rappers, sleepers, gossipers, workers, creators, travelers, homebodies, bakers, fishers, musicians, mechanics, cooks, baby-sitters, volunteers, idealists, realists, introverts, extroverts, procrastinators, task-masters, activists, farmers, vegans, animal-lovers...

The yearbook staff hopes that you enjoy the 2021 yearbook!

## Mr. Pluta & Mrs. Danner

Out of all the great teachers in Mill River, Mr. Pluta & Mrs. Danner stood out the most. The seniors picked them because they put our learning first and only want the best for their students. They make learning interesting and interact with their students. They made learning at Mill River an experience we will carry with us forever the rest of our lives.
